

From school curricula to youth actions for sustainable development

Global
Education
Time

The project, **Global Education Time**, aims to develop teaching and learning units and associated actions linked to the Global Goals and specifically to **4 Big Ideas**:

MIGRATION

INTERNATIONAL
INEQUALITIES

CLIMATE
CHANGE

GENDER
INEQUALITY

Project plan

- Junior Cycle Curriculum-linked Resources
- Fully funded Professional Development for Teachers
- Fully funded Student-led Awareness Raising Actions

Who we are

In Ireland, **Global Education Time** is coordinated by **A Partnership with Africa (APA)**. **APA** is an Irish charity which supports a partnership-based approach to its work in Ireland, Ethiopia & Tanzania.

For more information visit www.apa.ie

Project Schedule

By September 2025

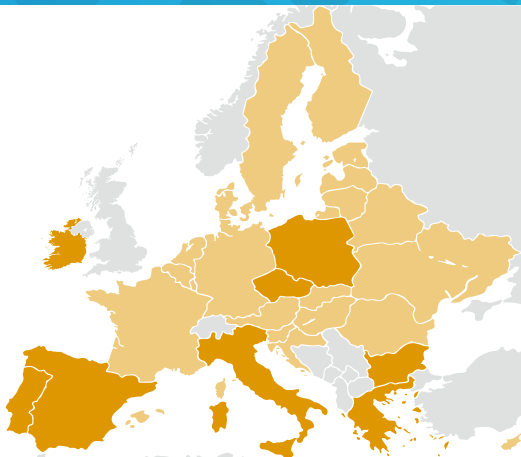

Development of curriculum-linked resources on the **4 Big Ideas**: International Inequalities, *Climate Change*, *Migration* and *Gender Inequality*.

By May 2027

International awareness campaign to encourage teachers to embed the **4 Big Ideas** in their teaching and support student-led actions to raise awareness of these global challenges in schools and communities.
